

## Payment Plan Options

We understand funding your pet's unexpected medical bills may be challenging. While we want your companion to receive the best medical care he/she needs, our hospital cannot allow billing. To help your pet get needed medical care, we offer two payment options.

**Any charges that are incurred after payment agreement date, must be paid in full at time of services rendered.** \_\_\_\_\_ (client initials)

### **Option 1: CareCredit**

CareCredit is a flexible payment program for qualified applicants. CareCredit can be used to finance any medical procedure, from dental cleanings to emergency services. You can spread the cost of treatment over several months and choose from No Interest and Extended Payment Plans. Qualified applicants can receive approval within minutes. CareCredit offers multiple payment plans:

#### **No Interest Payment Plan**

- 6 month plan
- No interest if the balance is paid within the 6 month time period
- Low minimum monthly payments

You can call toll-free 1-866-893-7864, visit [www.carecredit.com](http://www.carecredit.com) or our staff can apply for CareCredit for you through our computer system. A doctor's assistant also can answer your questions about CareCredit.

### **Option 2: PaymentBanc**

PaymentBanc is a company that offers automatic payment draft of your monthly payment and remits it to Portsmouth Animal Hospital. Our staff can quickly enter your information and get you set up with PaymentBanc for **qualified applicants**. If you are approved, there is a one-time \$30 administrative fee that is added to your balance. No envelopes and no postage, your payment is made on time for you every time. You have access to your online account anytime to view your statement on their secure website. If funds are not available in your account, PaymentBanc will contact you. For more information about PaymentBanc, please ask our staff for a detailed handout regarding this payment option.

- No interest payments for up to 60 days, drafted directly from your checking account for procedures \$250-\$500, with 25% down.
- No interest payments for up to 90 days, drafted directly from your checking account for procedures \$500-\$1000, with 25% down.
- No interest payment for up to 180 days, drafted directly from your checking account for procedures over \$1000, with a 50% deposit.
